

THANK YOU!

We would like to thank all the sponsors, riders, and everyone in our community for a wonderful Vets' Christmas Charity Ride on December 13, 2015. Because of your participation, the veterans in Dorn VA Hospital will get Christmas cards and Christmas gifts this year. Your caring was so evident in the number of folks who participated and the wonderful gifts and cash donations that you made. You can rest assured that not one veteran at Dorn will go without Christmas, and for that we are truly blessed by your generosity. Words can never describe the joy, hope and peace of mind that you delivered on that day to our vets at Dorn. Thousands of you on motorcycles and many members of our community, along with many soldiers from Fort Jackson and the SC National Guard made this event possible.

If you did not get to participate you can still help by purchasing a Vets' Ride tee shirt from Carolina Honda with 100% of the proceeds going to our veterans. You may pay for and donate one of the tee shirts to be given to a veteran at Dorn VA Hospital as a way of saying "Merry Christmas . . . you are not forgotten!"

God bless,

JIM WERTMAN, owner
Carolina Honda
